OBJECTIVE

To utilize my skills in Video Editing, Graphic Design, Concept Art and 3D Modeling by taking on creative challenges at an aggressive, reputable company.

EXPERIENCE

Atomic Films (Chattanooga, TN.)

Video Editor/Motion Graphics (2014 - Present)

Develop high quality motion graphics for on-air programming. Produce first-rate videos for broadcast, corporate, medical, and advertising.

Thorshamar Inc. (Pasadena, CA.)

Freelance (2013-2013)

Creating 3D motion graphics for the "Offroad Games" project.

Corbis Entertainment (acquired by Bill Gates)/NMA (Sun Valley, CA)

Video Editing/Multimedia Designer (2002 – 2013)

Over 10 years of graphic design and video editing for a leading entertainment marketing agency. Collaborated with account teams supervising leading national and global brand accounts to execute promotions through print, websites, sizzle reels and marketing campaigns. Efficient and budget conscious, I always strive to communicate through design while keeping the big picture in the foreground.

- Capture, integrated product placements in TV/Film to log them into the company's database that the CE/NMA production team has worked on.
- Send out weekly product placement hits to clients.
- Train new scanners and video editors.
- Create client product placement reels for quarterly activity in TV/Film for General Motors, Baskin-Robbins, Heineken, Dyson, Hostess to name a few.
- 3D motion graphics, 3D mock-ups, storyboards and 2D animations, to use in client reels and display brand products.
- Create reels for company meetings and assist client presentations.
- Assist the PR team in custom designs for client events.
- Create custom invitations for print or email blasts for client events.
- Capture Xbox 360 gameplay and customize gameplay for TV/Film for the producer's needs.
- Rotoscoping and photo manipulation.
- DVD authoring and custom DVD labels.

- Converting video for clients.
